  - Grant supported, no charge to participants
  - Additional environmental health, healthy homes, and school safety resources at PEHSU.NET

**Assessing Healthy Homes and Asthma Overview On-Demand Training**

Follow the steps below to enroll and proceed with the **Healthy Homes** training sponsored by the **Mid America Pediatric Environmental Health Specialty Unit**. This training includes two courses:

- 1) **Healthy Housing Principles**, and
- 2) **Asthma Overview for Environmental Assessors**

**Step 1:** Click on this link to reach training modules, then follow the steps in the screenshots below:

<https://ttuhscep.catalog.instructure.com/courses/southwest-center-pediatric-environmental-health>

## Step 2: Enrollment in Course

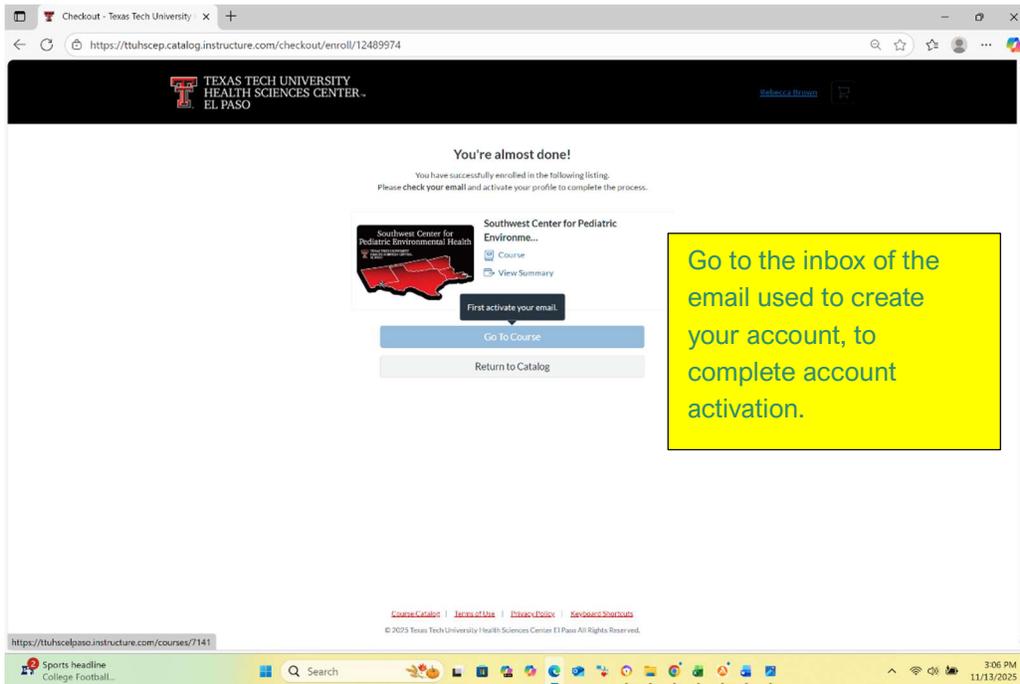

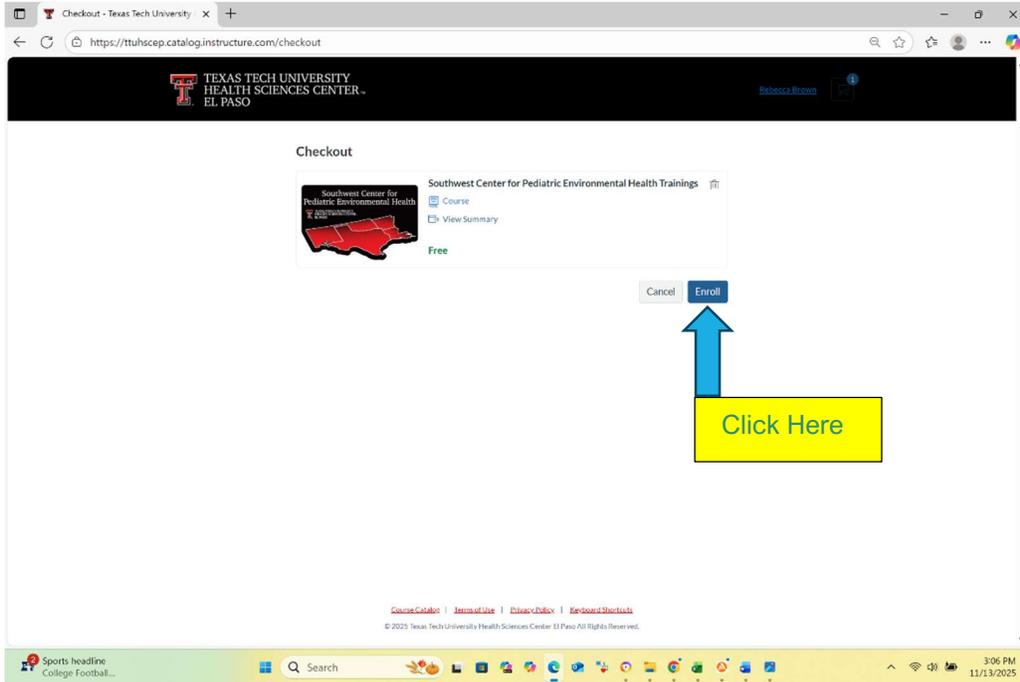

Upon clicking on, or copying and pasting, the above weblink, you will land on this page:

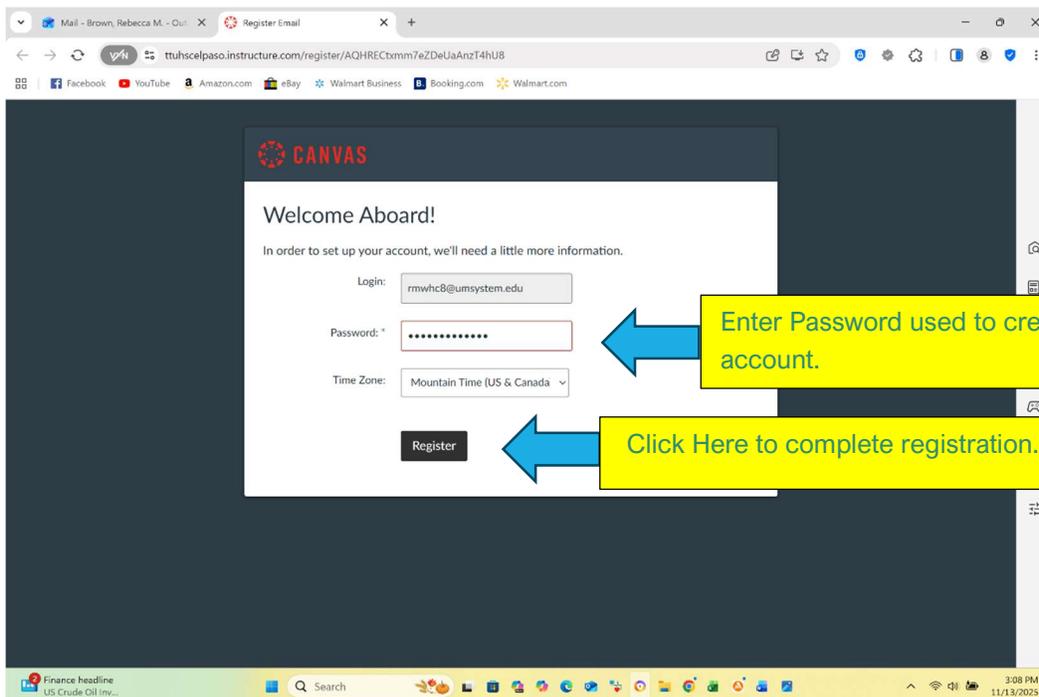

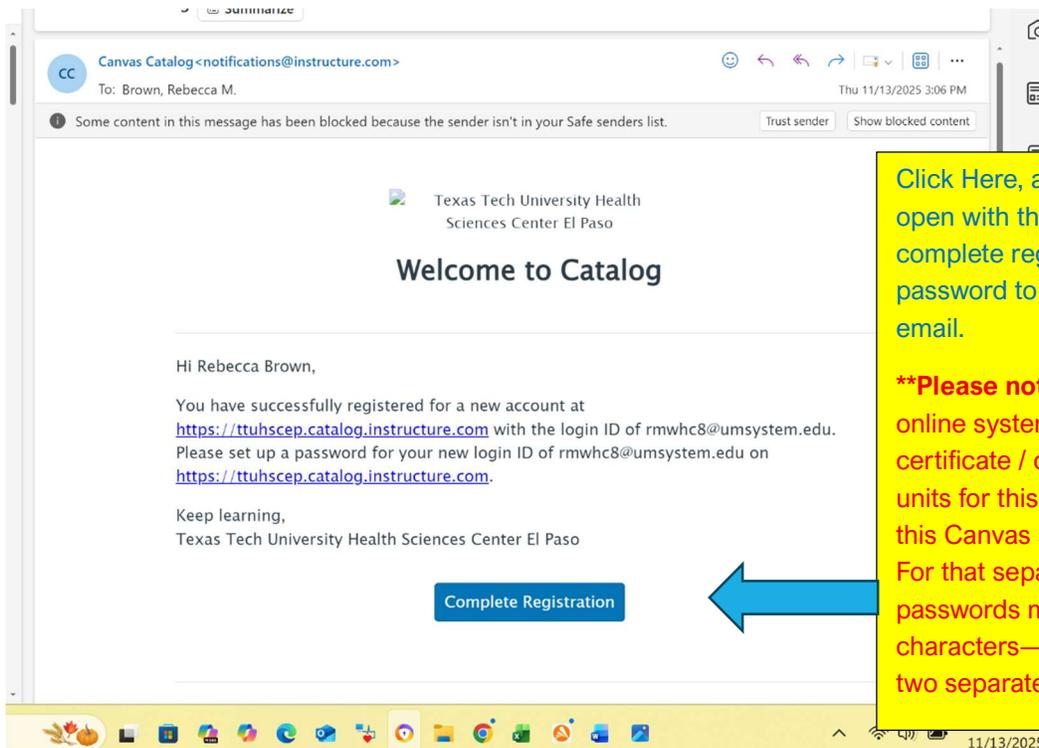

The screenshot shows a web browser window displaying the course page for the Southwest Center for Pediatric Environmental Health Trainings. The page header includes the Texas Tech University Health Sciences Center - El Paso logo and a 'Login' button. The main content area features a large graphic on the left with a red map of Texas and the text 'FREE Southwest Center for Pediatric Environmental Health Trainings'. To the right of the graphic, the text 'Southwest Center for Pediatric Environmental Health Trainings' is displayed, followed by 'Self-paced' and an 'Enroll Now' button. A blue arrow points from a yellow box labeled 'Click Here' to the 'Enroll Now' button. Below the main content, there is a smaller graphic with a sun icon and the text 'Southwest Center for Pediatric Environmental Health Trainings' and 'About This Enduring Course'. The browser's address bar shows the URL 'https://ttuhscpc.catalog.instructure.com/courses/southwest-center-pediatric-environmental-health'. The Windows taskbar at the bottom shows the time as 2:59 PM on 11/13/2025.

## Step 3: Create Account

The screenshot shows a web browser window displaying the 'Create an Account' form. The form is titled 'Create an Account' and includes a link for 'Already have an account? Sign in here'. Below this, there are several input fields: 'First Name \*', 'Last Name \*', 'Email \*', and 'Confirm Email \*'. A checkbox is present for 'I agree to the [Acceptable Use Policy](#) and acknowledge the [Privacy Policy](#)'. At the bottom of the form, there is a checkbox for 'I'm not a robot' and a 'Register New Account' button. On the left side of the screenshot, there are two yellow boxes containing instructions: '-Create Account by completing name and email information.' and '-Check box to agree to the Acceptable Use and Privacy Policies. -Click the I'm not a robot box -Complete CAPTCHA -Click on Register New Account button.' The browser's address bar shows the URL 'https://ttuhscpc.catalog.instructure.com/user/new?account\_id=10300&target\_uri=%2Fcatalog%2Fproduct%2Fadd%2F191359%3Fcheckout%3Dtrue'. The Windows taskbar at the bottom shows the time as 3:05 PM on 11/13/2025.

**Step 4: Complete Enrollment and Account Creation (Screen will automatically pull up after account registration / CAPTCHA in Step 3.)**

## Step 5: Find course in dashboard and begin

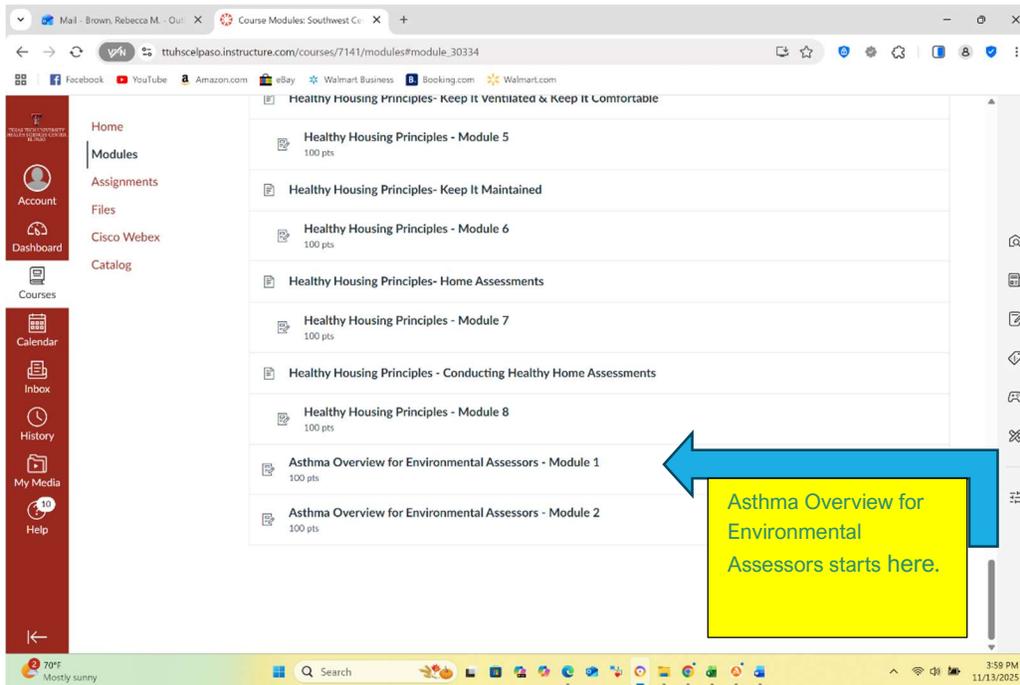

The screenshot shows a web browser window with the URL [ttuhscelpaso.instructure.com/dashboard/in-progress](https://ttuhscelpaso.instructure.com/dashboard/in-progress). The page title is "Student Dashboard". At the top right, the user's name "Rebecca Brown" is displayed. Below the title, there is a search bar and a "PDF Transcript" button. The dashboard shows "In Progress (1)", "Completed (0)", and "Not Completed (0)". Under the "Courses" section, the course "Southwest Center for Pediatric Environmental Health Trainings" is listed. It is a self-paced course. A blue arrow points to the "Begin Course" button, which is highlighted by a yellow box with the text: "Click Here. (This site will automatically come up after clicking Register button in last step.)". At the bottom of the page, there are links for "Course Catalog", "Terms of Use", "Privacy Policy", and "Keyboard Shortcuts". The footer includes the copyright notice: "© 2025 Texas Tech University Health Sciences Center El Paso All Rights Reserved." The browser's taskbar at the bottom shows the time as 3:08 PM on 11/13/2025.

The screenshot shows the course page for "Southwest Center for Pediatric Environmental Health Trainings" at the URL [ttuhscelpaso.instructure.com/courses/7141](https://ttuhscelpaso.instructure.com/courses/7141). The page has a dark red sidebar on the left with navigation options: Account, Dashboard, Courses, Calendar, Inbox, History, My Media, and Help. The main content area features the course title and a description: "We are the Southwest Center for Pediatric Environmental Health, one of 10 Pediatric Environmental Health Specialty Units, a network of experts in children's environmental health located throughout the United States. The SWCPEH serves the states of Texas, Arkansas, Louisiana, Oklahoma, and New Mexico out of our offices at The Texas Tech University Health Sciences Center El Paso." Below the description, it states: "The following modules contain courses that are designed to align with the PEHSU mission, which is to:" followed by a bulleted list: "Reduce environmental health threats to children.", "Improve access to expertise in pediatric environmental medicine.", and "Strengthen public health prevention capacity." On the right side, there are buttons for "View Course Stream", "Drop this Course", "View Course Calendar", and "View Course Notifications". Below these are sections for "To Do" (Nothing for now) and "Recent Feedback" (Nothing for now). A yellow box with a blue arrow points to the bottom of the page with the text: "Scroll down to bottom of page". The browser's taskbar at the bottom shows the time as 3:58 PM on 11/13/2025.

The screenshot shows a web browser window with the URL [ttuhscelpaso.instructure.com/courses/7141](https://ttuhscelpaso.instructure.com/courses/7141). The page content includes a sidebar with navigation options like Home, Modules, Assignments, Files, Cisco Webex, and Catalog. The main content area features a header for the Southwest Center for Pediatric Environmental Health Sciences (SWCPEH) and a list of modules. A yellow callout box with a blue arrow points to the [Healthy Homes](#) link, with the text: "Click on [Healthy Homes](#) link to go directly to the Mid-America Pediatric Environmental Health Specialty Unit's: Healthy Homes training."

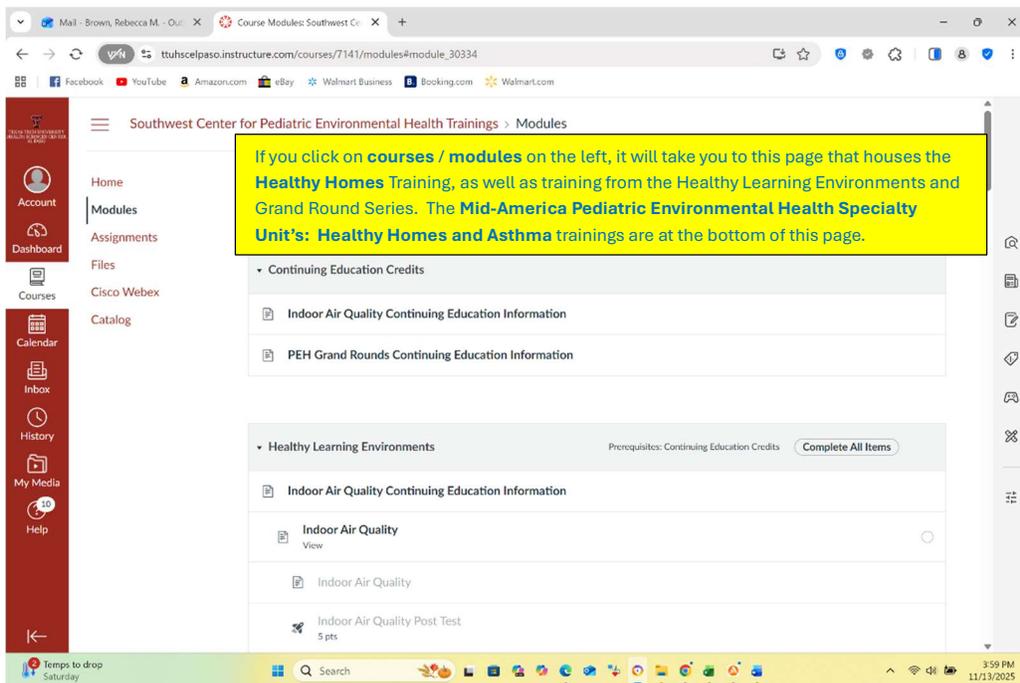

**(\*\*Clicking on Healthy Homes link takes you directly to the Healthy Homes training\*\*)**

The screenshot shows a web browser window with the URL [ttuhscelpaso.instructure.com/courses/7141/modules#module\\_30334](https://ttuhscelpaso.instructure.com/courses/7141/modules#module_30334). The page displays a list of modules under the heading "Healthy Homes". A yellow callout box with a blue arrow points to the first module, "Healthy Housing Principles- Introduction & Background", with the text: "Healthy Homes / Healthy Housing Principles course starts here."

(When watching the Healthy Homes and Asthma Courses, a **(next)** arrow will appear next to the back arrow within the slide frame once the slide content has been viewed completely. The **next** arrow will not appear before the slide video has completed while your computer screen is showing the video—the video will stop playing if you switch browsers.)

## **\*\*NOTE\*\* (Multiple avenues to arrive at training)**

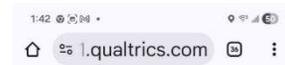

## Return to course:

1. Go to:  
<https://ttuhscep.catalog.instructure.com/courses/southwest-center-pediatric-environmental-health>
2. Log into account—top gray ribbon next to shopping cart.
3. Log in as guest (email can be used for username)
4. Click on your name (account) in top gray ribbon—It will pull up your dashboard.
  - a. Click on My Courses
5. Click on **Southwest Center for Pediatric Environmental Health Trainings**
6. Click on Healthy Homes Training, where you can access both the Healthy Housing Principles Training, and the Asthma Overview for the Environmental Assessors courses.
7. Additionally, you can receive CME credit for each hour of training you complete, receiving an individual certificate for each module of training completed.

## Step 6: Continuing Education Credit Hours

To receive continuing education, or CME credit, you will need to complete the course evaluation. To access this, go to the QR code above the course module (See the screenshot to the right of the beginning of the course evaluation—to receive certificate / contact (continuing education) hours—so you know you have arrived at the right place).

Thank you for attending the Southwest Center for Pediatric Environmental Health: Asthma Overview for environmental Assessors Part2. Please take a few minutes to complete this survey. *As a reminder, a completed evaluation is necessary to receive a maximum of 1 AMA PRA Category 1 Credits™ and 1 Nursing Continuing Professional development (NCPD) credit.*

\*Please select your credentials:

M.D./D.O.

Ph.D.

~ \_\_\_\_\_

**Steps below for Accessing / Tracking Continuing Education Credits** (with Texas Tech University Health Sciences Center El Paso (TTUSC EP) CME tracking system)

1. Upon completion of each module, use the QR code shown above the course video. The QR Code will take you to a separate system for accessing course completion certificate / hours of continuing education.
2. You will receive a separate certificate of 1 hour of credit for each completed module.
3. Each separate module has its own unique QR code, and activity code number; one will not work for all.
  - a. The Healthy Housing Principles course has eight separate modules; completion of all eight would yield eight separate certificates of 1 hour credit.
  - b. The Asthma Overview for Environmental Assessors has two separate modules; completion of both would yield two separate certificates of 1 hour credit.
4. The following documents (Attachments 1-3) will walk through registering **within the TTUHSC EP system** (Screenshots are included in the documents listed below).
  1. **Attachment 1: CME TRACKER ACTIVITY CHECK IN**—Goes over how to use the QR Codes shown above course videos to go to the Course Evaluation page. *\*\*Please note that the Activity Code for each of the Healthy Homes training modules will pre-populate into the activity code box. \*\**
  2. **Attachment 2: HOW TO OBTAIN CPE DOCUMENTS**—How to obtain the certificate.
  3. **Attachment 3: LOGGING IN TO CME TRACKER**—Goes over how to log in and how to create an account if a first-time user.
5. Please note: These courses / modules are accredited to award continuing education credits for physicians, nurses, dentists, pharmacists, and IPCE participants.

**\*\*Other healthcare disciplines can collect a certificate of attendance when they complete the evaluation that lists the number of hours. The learners are responsible for self-submitting documentation to their applicable licensing or certifying bodies. \*\***

6. Each module within the training courses will have an evaluation to complete to achieve the certificate for that hour of training.

## Step 7: Get your certificate of completion. (Below is a screenshot of an example)

Thank you for taking the Healthy Homes and Asthma courses:

This project is supported by the Pediatric Environmental Health Specialty Units (PEHSUs) which are supported by cooperative agreement FAIN: NU61TS000356 with the Centers for Disease Control and Prevention/Agency for Toxic Substances and Disease Registry (CDC/ ATSDR). The U.S. Environmental Protection Agency (EPA) also provides support through Inter-Agency Agreement 24TSS2400078 with CDC/ATSDR. The Public Health Institute supports the PEHSU as the National Program Office. The content in this fact sheet has not been formally disseminated by CDC/ATSDR or the EPA and should not be construed to represent any agency determination or policy. Use of trade names that may be mentioned is for identification only and does not imply endorsement by the CDC/ATSDR or EPA.

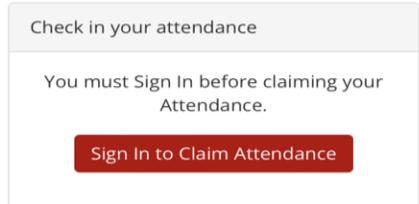

## ACTIVITY CHECK IN

1. On the day of the event, you will be provided a QR code or link.

**For QR code:**

- a. Open the camera app.
- b. Select the rear-facing camera in Photo or Camera mode.
- c. Center the QR code that you want to scan on the screen and hold your phone steady for a couple of seconds.
- d. Tap the notification that pops up to open the link. (You will need to be connected to the internet to do this.)

### Activity Check In

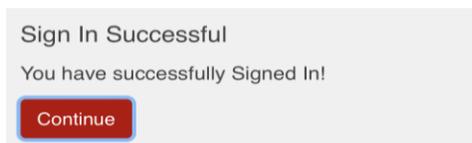

Check in your attendance

You must Sign In before claiming your Attendance.

[Sign In to Claim Attendance](#)

2. Login to CME Tracker. If you have attended a TTUHSC EP continuing education activity in the past, an update to your password may be required. If this is your first time attending, please create a new account. If you are unsure about your account credentials, please email [cmeinfo@ttuhc.edu](mailto:cmeinfo@ttuhc.edu).

Sign In Successful

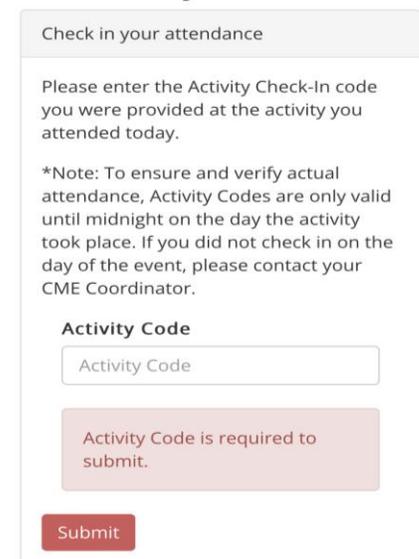

You have successfully Signed In!

[Continue](#)

3. Enter the code on Activity Check In page. Please note: to ensure and verify actual attendance, Activity Codes are only valid until midnight on the day the activity takes place. If you did not check in on the day of the event or if the activity code is not provided, please contact your meeting or CE coordinator.

### Activity Check In

Check in your attendance

Please enter the Activity Check-In code you were provided at the activity you attended today.

*\*Note: To ensure and verify actual attendance, Activity Codes are only valid until midnight on the day the activity took place. If you did not check in on the day of the event, please contact your CME Coordinator.*

**Activity Code**

Activity Code is required to submit.
